

# Christmas Club

## Make it easy on yourself this Christmas!

With our new Christmas Club you are able to choose from our wide range of bikes, pay a 50% deposit to reserve the bike, and then pay off the rest between now and Christmas.

### ***Here's how it works:***

- Choose a bike
- Pay a 50% deposit to reserve the bike
- Select a collection date
- Pay the balance between now and December 23rd 2016
- Bikes cannot be collected any later than December 23rd
- 50% deposit is non-refundable and must be paid to secure bike

If you need any more information please feel free to call us on 01 2871504,  
email: [steven@cycleplus.ie](mailto:steven@cycleplus.ie)  
or see our range on  
[www.Cycleplus.ie/Christmasclub](http://www.Cycleplus.ie/Christmasclub)

# Season's Greetings...

*The bikes in our Catalogue represent a selection of the bikes we are stocking this Christmas. However we will have others that we pick-up along the way. If there is a particular Brand or specification you would like but don't see it on our list, please let us know and we will see if we can get it for you.*

## Scoot Balance Bikes €134

The Ridgeback Scoot balance bike is truly a bike and not a toy. Once you have one of these bikes in your possession you understand why.

The Ridgeback is brought to you by Ridgeback UK; they are the Trek bikes of the UK and have a long history of bike building and were one of the first companies to bring mountain bikes to the UK. The bike features a high quality 6061 Heat Treated Aluminum frame, alloy wheels, reach adjustable hand brake, awesome color selections and a low step over cross bar. The bike comes with two seat posts and the attention to quality is evident in the stitched seat that also has a grab handle on the rear of the saddle. It weighs in at 11 lbs which can be drop 1-2 lbs with lighter tyres and components but with the seat range of 14-20", this bike is more suited for 3-6 year olds and the 11 lb weight should not be a factor.

**Frame:** 6061 Heat treated Aluminium  
**Fork:** Hi Ten Steel  
**Number of Gears:** 0  
**Brakeset:** Alloy V-brake  
**Brake Levers:** Composite with reach adjust  
**Handlebars:** Riser 460mm  
**Stem:** Easy Reach  
**Headset:** Sealed  
**Grips:** Soft PVC  
**Rims:** Alloy 20h  
**Front Hub:** Alloy 20h  
**Rear Hub:** Alloy 20h  
**Saddle:** Junior Comfort  
**Seatpost:** Steel 27.2mm  
**Weight:** 12.1 lbs

Age 3-7 years

## KID'S BIKES

littlebig

12"-16" €195

Designed & manufactured by local Greystones man Simon Evens.

LittleBig is a unique 3-in-1 bike that "grows with your child".

It starts as a pedal-less **balance bike** that allows your child to learn to balance and steer with the comfort of having their feet near the ground.

Learning to balance first will give your child a smooth, effortless transition to pedalling.

When your child grows out of the little balance bike, the rear of the frame rotates turning LittleBig into a big balance bike with a **higher saddle and longer handlebar reach**.

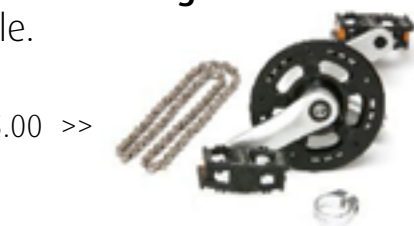

After your child becomes confident whizzing around independently, a pedal and crank assembly can be fitted to the balance bike transforming it into a fully functioning kids pedalbike.

By morphing from a little balance bike into a big pedal bike, LittleBig can be used from the age of 2 to 7 while keeping the correct fit for your child.

As LittleBig is designed to last for 5 years, its lightweight aluminium frame has been carefully finished and comes fitted with **high quality parts** like those on a proper bike – only little.

Seperate pedal attachment at €45.00 >>

Age 3-6 years

## KID'S BIKES

### Ridgeback Honey 14" Girls €195

**Frame:** 14" 6061 Heat Treated Aluminium
